

Join the New Orleans Pelicans and Saints for

Saturday, October 20 • 10am-2pm
Mercedes-Benz Superdome

By engaging attendees of all ages with a variety of hands-on fun activities and workshops, the goal of STEM Fest is to ignite curiosity and interest of K-12 students, inspire educators with creative learning, promote industry-workforce development and increase awareness of STEM career pathways. We hope to welcome more than 8,000 students, parents and teachers to this exciting annual event!
